

# BROOK LODGE & WELLS SPA

## what's been happening...

BrookHall a separate dedicated function hotel comprising of 24 bedrooms, a mezzanine bar, a swimming pool and the River Room which caters for weddings, parties, balls and all special occasions opened its doors in May.

BrookHall also houses a gym and a gorgeous second swimming pool, use of which is complimentary and open to all guests. The luxurious Wells Spa is now an adult only "Destination Spa", offering treatments sourced from around the globe, an indoor-to-outdoor swimming pool, Serail Mud Baths, Floatation Room, Hammam massage and much more.

The long awaited view of golfers striding the fairways of Macreddin arrived in August, with members and their guests being afforded a 'Privileged Preview' of the Paul McGinley designed course. With the full 18 holes not due to open until the Summer 2008, this unique opportunity to experience the cleverly designed course, with its rolling fairways, pristine greens and statuesque pines, is one surely not to be missed.

The quiet splendour of the Macreddin area seems best appreciated from the course as the different views of the surrounding countryside seem to invite themselves along to watch over you as you play.

The 'Privileged Preview' is due to be extended to include hotel guests from November 1st, so why not let us make sure that you join the privileged few?

Membership of this unique course is currently open, and anyone wishing to take a tour of the course should contact Membership Development Manager, David Leech on 0879818650 or david@macreddingolfclub.com
