

The Big Table Experience at The Strawberry Tree Restaurant

The ultimate dining experience! For your special occasion, you and your guests will be seated in the convivial setting of a traditional Big Table with foods prepared by the kitchen of Ireland's first certified Organic Restaurant - The Strawberry Tree.

The Big Table provides a unique opportunity for The Strawberry Tree Kitchen to prepare Foods and a Menu that simply cannot be served in a normal restaurant setting, presented on a single table that can stretch from 12 to 44 people.

You are escorted by our Restaurant Manager to your table at The Strawberry Tree Restaurant to begin with a simple pre-starter. All the food then arrives together to The Big Table in the style of a feast and is presented on platters in the centre of the table for guests to pick and choose and to mix and match the foods 'til their hearts content!!

Guests are encouraged to help serve the person on both sides of them, helping to add to the conviviality and atmosphere of the table. Watch out though - for some of your friends will think that they are the Waiter of the Year when they decide to serve everyone at the table...

After enjoying a Macreddin Village dessert pot, guests can help themselves to some wonderful Organic Cheeses, which are kept at perfect temperature in our Wild Food Pantry.

Even the menu is presented in a different style in that rather than the recipe been highlighted, it is the supplier, farmer or artisan producer that is named and written about. To Whet your appetite, there is a sample menu on page 2!
